## **MULTI PURPOSE CHEST RIG (FULL MOLLE FRONT)**

The Multi Purpose Chest Rig (Full MOLLE Front) provides a low-profile modular chest rig that accepts PALS/MOLLE pouches and pockets. The MPCR can be worn in conjunction with a plate carrier or as a standalone chest rig.

### **Features:**

- Full MOLLE/PALS webbing for maximum modularity
- Front separating zipper
- Two vertical entry map or document pockets with VELCRO® brand closure
- Two horizontal entry map or document pockets with VELCRO® brand closure
- Fully adjustable shoulders and waist strap
- Shoulder-mounted routing channels for radio antenna, hydration or cable routing
- Closed-cell foam padding in shoulder straps for superior comfort
- Constructed of heavy-duty, abrasion- and water-resistant 500 denier CORDURA®
- YOTE & MAP Assault Pack compatible
- Standard Issue, United States Special Operations Command (USSOCOM)
- Available in MultiCam® and Coyote
