

QUALITY BY DESIGN

SINGLE PISTOL MAG POUCH

When contact is imminent, you can open your mag flap and be confident your ammo will be there when you reach for it. The Single Pistol Mag Pouch is interlined with a custom-molded cloth-backed hawk plastic insert that firmly grips your magazine. When you're in contact and have to reload, your spare mag will be the first thing your hand touches.

Features:

- Sized to accommodate Glock 17 and 22 magazines
- Mag flap opens forward and attaches to front of magazine with VELCRO® brand fasteners, enabling you to maneuver without losing ammo
- Interlined with a custom-molded friction insert to ensure positive magazine retention
- Holds a single M9 magazine in an open-top configuration
- Constructed of heavy-duty, abrasion- and water-resistant 500 denier CORDURA®
- Mag flap opens forward and attaches to front with VELCRO® brand fasteners
- VELCRO® brand closure
- Facilitates speed reload
